

CONSTRUCTION UPDATE – 12 MARCH 2020

We will be undertaking nightworks from Monday 16 March to finalise construction of the Travelator located between The Foundry (Building 2) and the Locomotive Workshop. *See map below.*

Works include steel fixing and formwork installation, as well as lighting to ensure adequate working conditions.

What to expect:

These works are not expected to cause any disturbance to surrounding residents as they will be undertaken internally. Additionally:

- No machinery (e.g. excavators) will be used, and all materials will be loaded into the Travelator cavity prior to commencing.
- There will be no concrete pumping or truck movement at any time during the night.

Work duration:

These works will commence on Monday 16 March and conclude within 3 – 4 weeks.
