

Residential Development Victoria

WANTIRNA SOUTH, GEORGE STREET

WANTIRNA SOUTH, VIC

Wantirna South is a 171-hectare site located approximately 25 kilometres south-east of the Melbourne CBD. In June 2019, Mirvac and Boral agreed jointly to develop the quarry and brickworks site into a future masterplanned community. The development of this site will include both the rehabilitation from its previous quarrying and brick production use and the rezoning and subsequent subdivision. It is envisaged that the community will comprise over 1,700 lots, with the masterplan allowing for a mix of residential land and smaller format townhouses, as well as a potential mixed-use zone comprising of a retail offering and higher density affordable housing. It is anticipated that the community will include over 66 hectares of new parkland, designed to invite and extend the adjacent Dandenong Valley Parklands into the site, and over 12 hectares of local public open space.

Summary Information - In Progress
