

**CONSTRUCTION UPDATE – 14 FEBRUARY 2020**

Power to the western substation of the Locomotive Workshop will be shut down on Saturday 29 February. This power shutdown is required by Ausgrid to undertake preparatory works to connect a new Retail Main Switchboard. *See below map for location.*

**What to expect:**

For the duration of works, tenancies G6 and G11 within the National Innovation Centre will not have access to power.

**Work duration:**

On Saturday 29 February we will shutdown power to the western substation between 7am-4pm.
