

CONSTRUCTION UPDATE – 20 FEBRUARY 2019

As part of the upgrades to the Public Domain areas in the precinct, we have reached the time when we are required to complete the top sheet of asphalt on Central Avenue west and Davy Road. This was scheduled to take place last week – due to unforeseen circumstances this work has been re-scheduled to this week.

What to expect:

There will be heavy road milling machinery on both Davy Road and Central Avenue west. Please refer to below map for traffic flow. Traffic diversions will be in place around the precinct and traffic controllers in place at all times. Please use caution and follow directions.

During the works, access will be maintained to the Media City and BioMedical car parks.

Work duration:

This work is scheduled to commence Saturday 23rd February and continue through to Sunday 24th February. Progress could potentially be delayed due to unforeseen circumstances such as inclement weather.

If you have any questions or concerns, or if you require more information, please contact south.eveleigh@mirvac.com or call **1800 870 549**.

Kind regards, Kim
