

**CONSTRUCTION UPDATE – 22 JULY 2019**

As you may have already seen, the installation of the treehouse structure, the large sections being lifted into place has commenced. Due to this, we have closed a section of the childrens play area, as required the exclusion zone for the period of the install.

**What to expect:**

A temporary fence has been set around the area to provide a safe exclusion zone between the work and the public.

**Work duration:**

The installation is scheduled for today Monday 22<sup>nd</sup> and Tuesday 23<sup>rd</sup> July. Following this the fence will still be in place whilst the remaining items are complete. We are on track to be completed end of August.
