

CONSTRUCTION UPDATE – 1 May 2020

Noisy works on footpath along Central Avenue

We are writing to notify you that we will be undertaking paving works along Central Avenue toward Garden Street on Saturday, 2 May. These works are required to be completed as soon as possible in order to DA conditions imposed by the Department of Planning.

These works are typically noisy as they include jackhammering. To reduce noise impacts we will be implementing noise reduction measures such as installing barriers and noise mats.

In accordance with the City of Sydney Construction Noise code, we will not commence noisy works until 8.30am (1 hr after DA approved hours). Our approved working hours are until 5:30pm however to allow respite we expect the work to be completed by 3.30pm on Saturday. Progress could be delayed due to unforeseen circumstances such as inclement weather, in which case it will need to be completed on Monday morning.

If you have any questions or concerns, or if you require more information, please contact south.eveleigh@mirvac.com or call **1800 870 549**.

Thank you for your patience and ongoing cooperation during this essential work.

Kind regards,

South Eveleigh
