

CONSTRUCTION UPDATE – 22 MARCH 2019

We are required to close Davy Road to through traffic tomorrow Saturday 23rd March. This is due to a crane required for building 1 which will block the street access.

What to expect:

Traffic diversions will be in place around the surrounding streets. Please use caution and follow directions. You will be directed to enter the site via Garden Street. Traffic controllers will be in place at all times.

During the works, access will be maintained to the Media City and BioMedical car parks and loading docks.

Work duration:

This work is scheduled to be completed on Saturday 23rd March.

If you have any questions or concerns, or if you require more information, please contact south.eveleigh@mirvac.com or call **1800 870 549**.
