

CONSTRUCTION UPDATE – 3 OCTOBER 2019

We have commenced the installation of the Yerrabingin House – wall artwork called Happy Rain by artist Nell. Happy Rain, which takes the form of a large-scale smiling cloud wall work created from LED lighting attached to the exterior of the building.

What to expect:

A boom lift will be in place at the foot of the artwork for the duration of the installation. Access through the glass doors to the lift are blocked from the outside. You can still access the lift by coming in through the gate entrance to the building, to the left of the lift.

Work duration:

The installation time is approximately 3 weeks. Looking at completion by 26th October (weather permitting).
