

Construction Update – 5th May 2017

As you may be aware, this afternoon we had a services strike on the footprint of Building 2, close to Central Avenue. This has impacted the gas line to the Building 2 site only. The emergency services have been notified and attended the site for a full assessment. As a result, the Building 2 site has temporarily been shut down.

We will keep you updated if the circumstances change.

If you have any questions or concerns, please contact me at atp.communications@mirvac.com or call **1800 870 549**.

Kind regards, Kim
