## HOUSING COVENANT APPROVAL PROCESS

# FINDING A NEW HOME IS SUCH AN EXCITING TIME

You've scouted locations, found the perfect neighbourhood and settled on your dream piece of land – where you'll begin your next journey.

## SO WHERE TO NEXT?

To best start you on your next adventure with Aston Grove and guide you through Mirvac's Housing Covenant Process we've prepared a few helpful steps below.

– 1 –

Select the builder of your choice. Your builder will be able to assist you with Council approvals.

– 2 –

Your builder will work with you to design the home of your dreams.

– 3 –

Once you're happy with your design and your builder has drawn up the plans, you will need to submit them to our Customer Relations Team for Covenant approval.

– 6 –

The best part! Move into your home and enjoy the awesome community that is Aston Grove!

– 5 –

Submitting your full plans is easy – just complete the enclosed Housing Covenant Submission Checklist and email it along with all architectural and landscaping plans to **[customer.relationsqld@mirvac.com](mailto:customer.relationsqld@mirvac.com)**

– 4 –

It is recommended you submit a preliminary Covenant Submission before submitting your full plans. Please send your site plan, floor plan, elevations and landscaping plans to **[customer.relationsqld@mirvac.com](mailto:customer.relationsqld@mirvac.com)** for initial discussion.
