Dear Mr Keys

Thank you for submitting the *Alternate Rehabilitation Management Plan - Gainsborough Greens North West Conservation Park, September 2020* for approval in accordance with the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) approval for EPBC 2013/6751.

Officers of the department have advised me on the plan and on the EPBC Act conditions attached to this approval. On this basis, and as a delegate of the Minister for the Environment, I have decided to approve implementation of the *Alternate Rehabilitation Management Plan - Gainsborough Greens North West Conservation Park, September 2020* as the alternative offset proposal required under condition 6 of EPBC Act approval 2013/6751. The approved plan must now be implemented.

As you are aware, the department has an active monitoring program which includes monitoring inspections, desk top document reviews and audits. Please ensure that you maintain accurate records of all activities associated with, or relevant to, the conditions of approval including the implementation of the approved management plans, so that they can be made available to the department on request.
