OUR DIFFERENCE

Established 1949

Since 1949, we've been building homes for Australian families. That's more than 65 years of quality craftsmanship, affordability and design excellence.

Preferred Land Partners

We have strong partnerships with Australia's leading land developers. That means we have access to premium blocks in estates across the country.

Award Winning Builder

We're proud of our homes. And with the many design and building awards we've won over the years we have good reason to be. Our greatest reward, however, is realising the dream for Australian families.

Guaranteed Site Start

When you build a new home with Simonds Homes, we commit to even greater certainty of timing, when you have finance and titled land. Being confident about our build team, knowing you have a site and finance arranged, means we will guarantee your site start date. That's great peace of mind to help you plan your move.

Fixed Site Costs

Our fixed price house and land packages are just that. Fixed. There are no hidden extras or surprise costs. That means the price on your final contract is the price you pay. Guaranteed.

Lifetime Structural Guarantee

Since 1949 Simonds has developed an enviable reputation for building Australia's best homes. From humble beginnings, Simonds is now one of Australia's leading homebuilders. Today, with three generations of builders providing hands-on experience, our commitment to building quality, affordable and stylish homes has never been stronger. This is what truly sets us apart.

Make the Move to Wellness

Simonds Homes has taken up the next great challenge: designing homes that actively fuse health, nature and science to promote home wellness in a simple, yet revolutionary way.
