Life on the park.

A unique setting, the parklands are designed with distinct zones to cater for every desire — whether to escape, exercise or relax. Open expanses, playgrounds, exercise stations and boardwalks — take your pick from a range of options in this stunning natural wonderland.

Expanding their horizons.

The best thing after a hard day at school is to get moving. The nature-inspired playground includes built structures, as well as rocks and a planted embankment, so children can explore to their heart's content. Just as important as their need for independence is the need for safety. A nearby seating area means you can watch the kids as they entertain themselves for hours.

An active and social life.

Teenagers need space to assert their independence and explore their identity. Whether it's playing some basketball, rolling into the skate park or climbing on the rock wall, there are opportunities to encourage fit and active hobbies. Soft grassy landforms and picnic shelters provide a relaxing backdrop to unwind.

Life on the lake.

Glide into lakeside living at Waverley Park, the pinnacle of wellbeing with opportunities for both activity and relaxation. With striking outlooks from every angle, this is the perfect setting in which to make new memories with family and friends and bask in the sheer beauty of a refined life by the water.

**Lakeside living at Waverley Park —
the epitome of natural luxury.**

Welcome to lakefront living at its best. Take in the serene views of the lake, boardwalks, adventure park and Waverley Park community during your morning stroll. This is one view that will never get old.

A waterside wonderland for family fun.

When it comes to the family, the lake provides the perfect backdrop for life to unfold. Have a casual picnic and use the barbecue facilities, invite the extended family and friends around for a birthday party and enjoy the delights this fantastic new lakeside amenity has to offer.

Artist impression only: Barbecue shelter and lake precinct. Subject to council, development and construction approval.

Activate your waterside life with kilometres of pathways and boardwalks.

Enjoy fresh air and the scenery surrounding the lake at your leisure. Go at your own pace — take a gentle walk, go for a brisk jog or run with the dog. The beauty of the lake is yours to discover.

Sustainability at Waverley Park.

The Mirvac brand is synonymous with quality projects and landmark Australian sites. We strive for sustainability excellence in all our operations.

Sustainable design and Mirvac quality

Every Mirvac home reflects our pledge to deliver projects with exceptional environmental and social performance. Our commitment to delivering world-class projects is driven by our organisation's sustainability strategy: This Changes Everything.

The pillars of this strategy: Re-Imagining Resources; Shaping the Future of Place; Smarter Thinking; and Enriching Communities, guide our actions and help ensure our projects deliver tangible benefits.

A sustainable lifestyle awaits at The Finale

Sustainability is built into the design of The Finale. From the community's walkability to its water management, and from its accessible fitness facilities to considered home designs, The Finale demonstrates Mirvac's commitment to creating healthy, connected and happy communities.

The Finale's clean and green lifestyle

Every Finale home at Waverley Park achieves a minimum 6-star energy rating. The homes' passive design elements, cross-ventilation and superior insulation deliver exceptional thermal performance. Homes are designed to be cooler in summer and warmer in winter, reducing energy use – and energy costs*. LED lighting, solar hot water and energy-efficient appliances will deliver further savings*.

An abundance of natural light and fresh air offers proven health and wellbeing benefits, and you can breathe easier knowing your Finale home will use paints and joinery with low or zero VOC's and formaldehyde.

Future-proofed for solar and battery power

All Finale homes have been future proofed for solar PV and battery installation. Conduits between the roof and garage allow for easy future installation of a solar PV and battery system (no drilling required) and minimises the risk of visible cables.

Lakes and wetlands add more than beauty

The waterways at Waverley Park offer serene outlooks and social opportunities for all the community – and they'll also contribute in other ways. Waverley Park's interconnected wetlands and lakes will treat stormwater, support ecological diversity and enhance the amenity of the landscape.

Mirvac's water-sensitive urban design approach creates healthy waterways requiring minimal maintenance. Over time, Waverley Park's new wetlands and lakes will become self-sustaining ecological and biological systems, supporting a huge variety of fauna and flora and requiring minimal maintenance.

Quality and care in every little detail.

At Mirvac reimagining urban life is our purpose. It guides what we do, how we do it and most importantly why we do it.

We create homes of enduring value through the pursuit of quality and care in every little detail, you can benefit from our philosophy, values and our all-under-one-roof knowledge, experience, service and delivery.

Our commitment to quality goes beyond design, construction and after-sales service and community initiatives. We listen and learn from our customers. Your needs and aspirations shape our project vision and

provide the inspiration for our award winning architects, designers and construction teams.

We take a personalised approach to customer care, providing the highest level of service through every stage of the property purchase and beyond.

When you choose Mirvac you know you are with a company as passionate about every little detail as it is about the bigger picture – reimagining urban life to improve the way people live, to enrich their lives, and leave a legacy to be enjoyed for years to come.

We know that finding 'the right place' is an emotional quest as much as it is a physical search. 'The right place' has to be right for you in so many ways – your family, your social life, your recreational, investment and leisure choices, your career and your outlook. When you find it, you'll know. Our job is to create it, and to help find it. So we offer an amazing array of choices for homebuyers and investors, from affordable family living, beachside neighbourhoods, from tree changes and golfing estates and exclusive living spaces in some of Australia's most sought after locations.

Our team includes some of Australia's most respected architects and builders, and they'll ensure that when you live on one of our communities, you get to make all the right choices. We're the people that will bring all the aspects of your life together in one place, and help you build a home around it. We'll provide you with the right service and support, and we'll add value to every day of your life. So you know that when you're with Mirvac, you're already in the right place.
